The Social Media Toolkit
Promoting the first School Meals Coalition Global Summit
Paris, France 18 - 19 October 2023

The Theme of the first School Meals Coalition Global Summit is: Investing in Future Generations: Human Capital, Sustainable Food Systems and Climate Change Action Through School Meals. The Summit showcases member countries’ new commitments and to welcome new members of the Coalition. The Coalition will demonstrate its strong mobilising role in the last two years to ensure that every child, by 2030 can receive a nutritious meal in school every day.

This Summit presents an opportunity for all members and partners to join the school meals global conversation in Paris in influencing more commitment and support to scale up school meal programmes everywhere.

The Coalition has developed this social media toolkit to support your communication efforts before the Summit. You can use your own social media platforms to connect your messages with different target audiences.

Below you will find messages packaged for the Twitter (X) social media platform. Please feel free to adjust, expand and adapt for relevance to your context and other social media channels such as Facebook and LinkedIn.

The Summit will be livestreamed on the School Meals Coalition Microsite: https://shorturl.at/AEX38
It’s highlighted in all the proposed messages.
